Instructor Narcyz Roztocki
(845) 257-2935 / SBB 145
roztockn@newpaltz.edu

Office Hours Tuesday 12.30 p.m. - 2.00 p.m.
Wednesday 5.15 p.m. - 6.15 p.m.
Thursday 12.30 p.m. - 2.00 p.m.

Course Description This course is intended to provide students in the MBA program with a firm grasp of the function of computer-based information systems in modern business organizations. Students should come away with a working knowledge of which information systems are best suited to a given company. Emphasis is placed on technical concepts fundamental to business applications and management of information systems.

Prerequisite: PC

Textbook Laudon, K.C. and J. P. Laudon
Management Information Systems Managing the Digital Firm
