MIS/OM Topic Presentation
(Class Presentation)

The objective of this in-class presentation is to familiarize MBA students with the current trends and challenges in Information Technology (IT) management.

As preparation for this presentation, you are asked to search for appropriate articles in premier MIS/OM journals, such as *Journal of Operations Management, MIS Quarterly, Information Systems Research, Journal of Management Information Systems, and European Journal of Information Systems.*

The article you choose should discuss a current topic and be of interest to you. Prior to the presentation, the article you choose should be submitted to the instructor.

Upon the instructor’s approval you are expected to discuss the ideas included in the article of your choice in the form of a presentation.

**REQUIREMENTS (deliverables):**

**(Presentation):**
- Printed PowerPoint Presentation
- Be prepared to present your project before the class

**Note:**
Please cite all statistics, quotes and areas of paraphrase in the common format of your choice within the presentation. You are also expected to include a reference page (bibliography or works cited page) at the end of the presentation. Whichever citation style you choose, be consistent throughout the presentation.
